

why home sweet home?

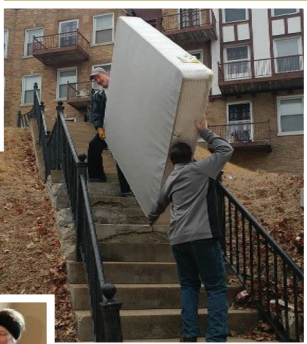

To effectively address homelessness in America and impact a long-term solution to this problem, people transitioning out of homelessness need help with stability. At Home Sweet Home, we believe part of that stability comes from establishing a first home stocked with the necessities for everyday life. Part of maintaining a home is usability and affordability. We can help make taking the first step to stable home life comfortable and accessible. You can be part of the solution by donating household furnishings, monetary contributions and/or, volunteering.

Our warehouse is bursting at the seams, we are raising funds for a larger warehouse.

Our truck is at capacity, we are raising funds for a 2nd truck.

Our volunteers are a blessing.

Our clients are our #1 priority.

Do we make a difference... you bet!
