We cannot accept items that are damaged, incomplete, stained, discolored, torn, hairy, or smelling of smoke or pets.

Visit HomeSweetHomeSTL.org/pickup-request/ to request a pickup for larger items!

ACCEPTED:

NOT ACCEPTED:

Why?

We complete several deliveries each day, and we unfortunately do not have the labor capacity to set up our clients' bedrooms with headboards or bed frames that require tools. We only have storage space for bed frames that collapse down completely (see accepted).

Any other bed attachments will not be accepted, even if they are part of a matching bedroom set.
